## Examining Committee Membership

The following served on the Examining Committee for this thesis. The decision of the Examining Committee is by majority vote.

External Examiner:       Name X!  
                                  Professor, Dept. of , University of

Supervisor(s):            Name 1!  
                                  Professor, Dept. of ML,  
Mohamed bin Zayed University of Artificial Intelligence (MBZUAI)  
                                  Name 2!  
                                  Professor , Dept. of CV,  
Mohamed bin Zayed University of Artificial Intelligence (MBZUAI)

Internal Member:         Name Y!  
                                  Professor, Dept. of , University of

Internal-External Member: Name Z!  
                                  Professor, Dept. of , University of

Other Member(s):         Name R!  
                                  Professor, Dept. of , University of

### **Author's Declaration**

I hereby declare that I am the sole author of this thesis. This is a true copy of the thesis, including any required final revisions, as accepted by my examiners.

I understand that my thesis may be made electronically available to the public.

## **Abstract**

The abstract should not exceed 500 words or 2 pages. The abstract should explain the domain of the thesis, identify topic area, include the hypothesis or problem statement, provide a general overview of the methodology, and identify research benefits and key findings and/or contributions.

## Acknowledgements

I would like to thank ...
